The Strip District, Pittsburgh's Historic Market District, is a one-half square mile area northeast of downtown. "The Strip", as it is familiarly known, is just that—a narrow strip of land in a flood plain confined by natural boundaries: the Allegheny River to the north and the extension of Grant's Hill to the south. The Strip's east and west boundaries are 11th and 33rd streets; the produce district runs from 16th to 22nd streets.

Please call or check the website before visiting any of these establishments. Hours of operation change frequently, businesses close or move, business names change, etc.
