Pittsburgh Opera to host 15th Annual Piano Sale August 18th-21st

[Pittsburgh Opera](#) will be hosting its eagerly-anticipated annual piano sale at its headquarters the [Bitz Opera Factory](#), at 2425 Liberty Ave. in the Strip District from Thursday, August 18th through Sunday, August 21st. Over 100 pianos will be available.

Patrons wishing to attend the sale must make an appointment by either calling 412 206-5582 or registering online at pittsburghoperapiano.com.

Every year, Pittsburgh Opera receives a free loan of new pianos from [Solich Piano](#) – Yamaha’s *Dealer of the Year* - for rehearsal, coaching, and performance needs. To support this ongoing loan program, these and other fine pianos are offered for sale after each season. All pianos are sold at institutional prices not normally available in retail stores.

In addition to the gently-used pianos which have been loaned to Pittsburgh Opera, the sale will include a wide range of brand-new Yamaha grands, uprights, digitals, hybrids, and Disklavier player pianos, as well as other used pianos being sold at significant discounts. Pianos include top-quality brands such as Yamaha, Bösendorfer, Clavinova, Baldwin, Estonia and others. All of the pianos - new and loaned - come with manufacturer warranties and technical services. Delivery and special financing is available.

All patrons who come in for the sale can enter a drawing to win a free pair of season tickets to Pittsburgh Opera’s upcoming 2022-23 season’s Benedum Center productions, which includes their first-ever performances of Dvořák’s [Rusalka](#), perennial favorite Mozart’s [The Marriage of Figaro](#) and Verdi’s sweeping epic [Il Trovatore](#).

Pittsburgh Opera celebrates its 83rd season in 2021-22. Established by five intrepid women in 1939, Pittsburgh Opera is viewed as one of the most vibrant opera organizations in the U.S., with a rich artistic tradition, outstanding educational programs, an acclaimed artist training program, and a progressive outlook toward the future. Its green initiative culminated in LEED® Silver certification for its Strip District headquarters, and its capacity as a true community partner has increased significantly under General Director Christopher Hahn’s leadership.
